Step 9 Go to the Moodle course with "**Secure Exam Proctor**", which normally should be in the first section and toppest position of the course.

Click on "**Secure Exam Proctor**".

The following message "**Secure Exam Proctor Plugin Successfully Installed!**" should be displayed after the plug-in installed properly.

Secure Exam Procto

Secure Exam Proctor Plugin Successfully Installed! Please return to your course.

Step 10 You are now ready to attempt any exam monitored by Proctorio in Moodle.

Important Note 1: If you find yourself requires to input the password when taking the quiz, It is mainly because the Proctorio is not working correctly on the quiz. Please follow the **Step 6** once again.

Important Note 2: If you find yourself disconnected from Proctorio, please follow the **Step 6** once again as well. To prevent this from happening, please make sure not to access the quiz unless you are using Google Chrome and have the Proctorio plugin installed.
